

NORTH CAROLINA RIGHT TO LIFE, INC.

## POLITICAL ACTION COMMITTEE

August 15, 2018

Honorable Jonathan Jordan  
P. O. Box 1473  
Jefferson, North Carolina 28640

Dear Representative Jordan:

We are pleased to endorse you for reelection on November 6, 2018. This endorsement is based on your pro-life voting record, your answers to our 2018 questionnaire, and your support of our efforts to protect innocent human life from conception until natural death.

Thank you for your votes in favor of pro-life legislation over the years which have resulted in tax dollars not being spent to pay for abortions, in the protection of lives threatened by abortion, and in the allocation of more funds to those agencies which assist abortion vulnerable mothers to choose life.

The pro-life citizens of your district have you as a strong pro-life advocate serving them and should support you with their vote on November 6. We wish you much success in your reelection efforts.

If you have any questions about this endorsement, please feel free to contact me.

For Life,

Barbara Holt  
PAC President
